

EXCITING NEWS AT CHAPEL STREET MEDICAL CENTRE

We're launching AccuRX Scribe

AccuRX Scribe is a new digital system that uses AI to dictate patient notes during or after your consultation – saving time, improving accuracy, and helping us focus more on you.

What This Means for You:

- Faster, smoother consultations
- Improved note-taking accuracy
- Less time spent on admin, more time for care
- More efficient follow-ups and referrals

What This Means for Us:

- Streamlined workflows = more time for patients
- Improved clinical documentation
- Reduced admin burden on staff

We're always looking for ways to improve your care
AccuRX Scribe helps us do just that.
